SmithLife® HOMECARE
Bringing care home.

POST-SURGICAL
TRANSITIONS TO HOME

Recover Comfortably. We're With You.

After surgery, home is often the best place to recover. SmithLife Homecare's care partners and skilled nurses work together to help you safely regain strength and maintain independence in the comfort of your own home.

Why Families Choose SmithLife

- Reduce complications and avoid unnecessary hospital visits
- Feel supported every step of your recovery journey
- Recover safely and confidently at home

RECOVERY YOUR WAY

Customized Pricing — Customized for your recovery. Designed around your life.

A customized recovery plan built around your procedure, physician's recommendations, and recovery goals.

Our coordinated continuum of care allows you to seamlessly transition between non-clinical support and skilled nursing services as your recovery needs evolve, all through one trusted provider.

Available services include:

- Hourly, overnight, or extended care
- Support from licensed care partners and skilled nurses
- Wound and medication management
- Transportation to follow-up appointments
- Personal care and mobility assistance
- Flexible scheduling

POST-SURGICAL RECOVERY PACKAGES

Every recovery package begins with a Registered Nurse Assessment to create a personalized recovery plan. Should your recovery require clinical support, skilled nursing services can be seamlessly added to your care plan.

HOME & SETTLED – $225

5 hours of care, including transportation home, prescription pickup, and personalized recovery support.

TRANSITION TO HOME – $675

18 hours of care over the first three days, including transportation home, prescription pickup, and continued recovery support.

HOME HEALING – $925

24 hours of continuous recovery support, including transportation, prescription pickup, and follow-up appointment transportation, if needed.
